

**GRAMMATIK**  
Quarter 2 (Cur.B)  
FOCUS: **Verb tenses and moods**

PLEASE! NEVER WRITE IN THE TEXTBOOK! Erase any writing you find.

Using both of your 2 grammar workbooks, **READ** each section **before** attempting any of the exercises that follow. Do only the exercises listed below. Please write on only one side of your paper. When finished with a chapter, please correct your answers **with a red pencil** using your assigned answer key. Don't write a checkmark or X anywhere, please.

**\*\*If you had no errors in an exercise, write "OK" next to it (this doesn't happen often).**

Please label all your work: **Each page** of your grammar packet should have:

1. date and textbook page number(s)
2. the letter/number of the exercise/section with all the individual answers clearly numbered. Do not label the same exercise more than once (as when it continues to another page).
3. Don't mark correct answers. Leave them clean.
4. Star exercises where you had many errors and don't know why. Raise your hand for teacher help.
