

GRAMMATIK
Quarter 2 (Cur.B)
Verb tenses and moods

What you will learn about verb tenses and moods:

- past participles
- double infinitive modals in the perfect
- change the tense of the verb
- change the mood of the verb- use the subjunctive
- change the mood of the verb- use the conditional
- wrong or missing auxiliary verb
- use "werden" in the passive
- use present tense + seit + time
- replace passive voice here with „man" + verb

What you will learn about idioms and German usage:

- confusion between haben and sein

Using your 2 grammar workbooks, **READ** each section **before** attempting any of the exercises that follow.

Please correct your work, **with a red pencil**, AFTER you have completed each assignment.

Star areas where you had many errors. Call the teacher over during class for help.

Please label all your work: **Each page should have:**

1. **your name**
2. **text name and page number(s)**
3. **letter of the exercise written down the far left side of the margin**

Please do all assignments in order. Get each assignment graded as soon as you have completed it.
