Using your 2 grammar workbooks, **READ** each section **before** attempting any of the exercises that follow.

Please correct your work, **with a red pencil**, AFTER you have completed each assignment.

Star areas where you had many errors. Call the teacher over during class for help.

Please label all your work: **Each page should have:**

1. **your name**
2. **textbook name and page number(s)**
3. **letter of the exercise written down the far left side of the margin**

Please do all assignments in order. Have each assignment graded as soon as you have completed it.
