PLEASE!! NEVER write in the textbook!! Erase any writing you find.

Using your assigned grammar workbook, **READ** each section **before** attempting any of the exercises that follow. Do only the exercises listed below.

All exercises must be clearly labeled with page number and exercise number/exercise letter. Only write on one side of your paper.

When finished with a chapter, please correct your own answers, **with red pencil** using your assigned answer key. If you had no errors in an entire exercise, mark "OK" next to it. Do not write checkmarks or any Xs, please.

Star areas where you had many errors, are confused and need help. Ask the teacher during class for help. Please label all your work: Each page of your grammar packet should have:

1. that day's date
2. textbook page number(s)
3. and the letter/number of the exercise/section with all the individual answers clearly numbered. Do not label the same exercise more than once (as when it continues to another page).
