Text-Analysis Worksheet

Pre-Work

- A. Choose a short (1-3 paragraphs) German text/article.
- B. Flashcard the vocabulary words with translations and parts of speech.

ASSIGNMENT

- C. Choose 5 German words and find/create a German definition of each word. Imagine wanting to talk about a solar eclipse you saw but not remembering that term, so you have to use a bunch of words to describe what an eclipse is without actually saying it. This is an important skill you will use often when speaking German.

ex. crayon= long stick with color for drawing pictures
